Ms. Mamta Chhajer

Assistant Professor & Co-Ordinator (BCAF) - Ghanshyamdas Saraf College of Arts & Commerce

Greetings from the Institute of Chartered Accountants of India (ICAI)!

The Institute of Chartered Accountants of India (ICAI) is a statutory body established on 1st July, 1949 by an Act of Parliament, viz., The Chartered Accountants Act, 1949 for regulating the profession of Chartered Accountants in the country. ICAI's sagacious journey of more than 74 years has seen it expand nationally and globally establishing 167 branches in India, 44 Chapters overseas and 34 representative offices spread into 47 Countries. We wish to inform that today ICAI is the family of about 350,000 members with 40,000 overseas members and 7,50,000 students. The Professional competence and contribution of ICAI members in economic and social development in different parts of the world is well recognised. It is one of the premier accounting bodies in the world and is represented at almost all the international forums on accountancy.

India boasts the 3rd largest and flourishing startup ecosystem globally, with a projected annual growth rate of 12-15%. This remarkable expansion can be attributed to the country's insatiable appetite for technology, data, and the internet. Over the past decade, the Indian startup landscape has experienced explosive growth, and it now holds 107 unicorn startups with a cumulative valuation of \$340.79 billion. The Indian startup ecosystem has garnered significant attention owing to factors such as substantial funding, consolidation activities, emerging technologies, and an ever-expanding domestic market. The startup space in India is largely dominated by young entrepreneurs, with a substantial percentage of founders under the age of 36. The innovation economy in India is also witnessing a steady rise in the prominence of women entrepreneurs.

In this context, the Committee for Development of International Trade, Services & WTO and Committee on MSME & Start-up of ICAI are jointly organizing a Mega start-up event on the theme "StartUp Sphere: Towards Better Tomorrow" from 27th June,2023 to 28th June,2023 at Jio World Centre, Bandra Kurla Complex (BKC), Bandra (East), Mumbai. These two days event will cover Government ecosystem, source of findings, new avenues, valuation, digital marketing along with celebration of International MSME Day and various concurrent sessions on the contemporary issues of MSME and Startups including Export Entrepreneurship along with Exhibitions from eminent startups. Tech Fusion Track are also present which cover various topics such as the "Impact of Metaverse on Real-life Business Cases," "CBDC and its Global Economic Impact," "Cryptocurrency and Global Regulations on Cefi/Defi," "Web 3.0 Cybersecurity Issues," "NFTs and Smart Contracts," "The Future of Fintech," "Indian Startups on a Global Platform," "Data Privacy and India's Data Economy," and more.
