Gender Sensitization Programme

Taking a step towards Gender Equity, the Women Development Cell organized a talk on 'Gender Equity and Gender Sensitization' in Durgadevi Saraf Auditorium of college on 21st August, 2023. The session was conducted by Dr. Sangeeta Desai.

In the first half of the session, Dr. Sangeeta Desai sensitized the students with the help of Power Point Presentation and interactive discussion on gender equality. Further she enlightened the students with the difference between gender equity and gender equality. She asked various questions to the students which made them understand the practical aspect of the topic. She also touched upon the importance of gender equity as the society is more in need of gender equity than gender equality. In the second half of the session, she explained about the consequences of the gender discrimination which is depriving the women in society. Dr. Sangeeta Desai grabbed the attention of male students in such a topic by giving live examples of day to day life. She also provided data research reports in support of her talk which made us all think about the situation of the women in the society. Question and answer session helped the girl students to overcome myths and doubts about gender equality and gender equity.

The session helped to enhance the knowledge of the girl as well as boy students to enhance the positive behaviour that will enable the girl students to deal effectively with the challenges of life. It is noteworthy fact that there was an overwhelming response to the programme from BCom as well as from Self Finance Courses like BFM, BCAF, BCBI, BSc-IT, BMS. 115 girl students and 72 boy students received the benefit from participating in the session.

Self Defense Workshop

Taking a step to help girl students to be more aware of their surroundings and be prepared for the unexpected events at any time and also to prepare girls to survive and escape without injury by deterring or stopping aggressive behavior. The event was conducted in Durgadevi Saraf Auditorium of college on 27th September, 2023.

Mr. Kotap started with the importance and basics of the self defense. According to him to stop was the first step towards the defense. He said that if any person is misbehaving with any girl, then our step has to stop that person from doing so. Further he added that if anyone is attacking or using physical force then at that time we need to understand the physical capacity before taking any step. He suggested under such circumstances if the person who is attacking is more powerful then it is recommended to run or to avoid such fights. After the oral explanations, Mr. Kotap started with the practical demo of the various forms of the martial arts.

Mr. Kotap taught various techniques like slap and back attack to defend ourselves. He also taught students about the crucial techniques of martial arts to protect us from any uncertain event. Mr. Kotap taught students various easy forms of techniques to defend. He elaborated the various ways of protection in case of late night traveling. He suggested to share the details of the transportation to our family member and also to be on call continuously during the late night journey. Later the team members of Mr. Kotap gave the demo performance of nunchucks martial arts, gymnastics, animal forms etc. Mr. Kotap encouraged all the audience to become fit and to do exercise daily for the physical fitness.

The session helped to enhance the confidence of girl as well as boy students for the self defense and to tackle the difficult situations. It is noteworthy fact that there was an overwhelming response to the programme from BCom as well as from Self Finance Courses like BFM, BCAAF, BCBI, BSc-IT, BMS. 173 students received the benefit from participating in the session.

A Workshop on Basics of Equity Investing and Mock Trading was organized in collaboration with IQAC & Career Guidance and Skill Academy. The session commenced at 10.00 am with the warm welcome extended to all by Prof. Mebin Varghese followed by the introduction of judge for the session Jeetendar Peswani, CFA

The speaker took over the session and delved into the basics of Equity Investing. With a clear and concise delivery, the speaker imparted valuable knowledge about the fundamental concepts and principles underlying equity investments. As part of the interactive session, students were encouraged to create accounts on Screener.com for analyzing companies. Through hands-on experience on the platform, students gained practical insights into the process of company analysis and stock selection.

One of the highlights of the session was the virtual trading exercise, which provided students to execute trades and manage portfolios. This practical exposure allowed students to apply theoretical concepts in real-time scenarios, thereby enhancing their understanding of equity markets and investment strategies.

Overall, the session received positive feedback from both students and faculty members.

Through practical demonstrations and insightful discussions, the aim was to foster an understanding of Canva's capabilities in the context of video editing, enabling attendees to enhance their creative projects with this user-friendly and versatile tool."

Process and Execution:

The event was led by Rtr. Vignesh Chhejara, serving as the Digicom Director. It unfolded within the confines of the LC room, drawing a diverse crowd of enthusiastic participants.
