Project Description

Aim:

- 1) The aim of the project "Rangeela Manch" was to arrange a comprehensive and eloquent campaign that serves as a beacon for societal enlightenment.
- 2) Through a complicated tapestry of education and outreach, our paramount aim was to illuminate the vibrant tapestry of the LGBTQIA+ community, inviting individuals from all walks of life to embark on a journey of discovery and understanding.
- 3) The other aim of the event was to localize the voice for the community and people in common.
- 4) Organizing a day out and having a fun Sunday Street performance, to engaged people with us and thus to make it more feasible and more convenient to raise awareness.
- 5) To target wide range of audience, present on the streets of Marine lines and to have a quick Question and answer session on Gender Equality while having fun.

Process and Execution:

Process:

Rangeela Manch: Where diversity met unity and inclusivity became the heartbeat of the event. Our director, Rtr. Aakanksha Purohit took the initiative to create "Rangeela Manch" with a clear vision. After gaining approval, she diligently crafted a PR message and a JPEG, complemented by a Google form link for gathering crucial information. This initiative aimed to raise awareness about LGBTQIA+ issues and was open to both Rotaractors and Non-Rotaractors, underlining its commitment to promoting Rotaract and LGBTQIA+ awareness.

To facilitate effective communication, a dedicated WhatsApp group was established for participants, ensuring seamless updates. Additionally, our chairperson developed comprehensive guidelines, providing participants with detailed instructions for an enjoyable event.

In terms of activities, Rtr. Aakanksha Purohit, LGBTQIA+ Cell Director, had already curated a set of engaging questions and games designed to brighten someone's day.

Execution:

On a bright and sunny September 17th, an event like no other unfolded at Marine Lines. The event kicked off with an exhilarating journey as attendees arrived at the vibrant Marine Lines. Eager participants, both young and old, were greeted with enthusiasm, setting the tone for an extraordinary day. Our first order of business was to approach random strangers and engage them in conversations about LGBTQIA+ topics. This spontaneous interaction proved to be an eye-opening experience, as it revealed the rich tapestry of thoughts and opinions within the crowd and then we met an influencer, and we asked them questions too as we can get an insight of the thought about what people think of the LGBTQIA+ community.

One of the highlights of the day was the "Random Compliments" game. Participants showered each other with heartfelt compliments, brightening the atmosphere and fostering a sense of goodwill. This activity reminded everyone of the simple joy that comes from spreading positivity.

Breaking Down Barriers:

In our "Language Exchange" game, we celebrated diversity by inviting participants to share a sentence in their native language. This delightful exercise bridged cultural divides and reinforced the importance of embracing linguistic diversity.

Fun and Games:

To add an extra layer of fun to the day, we organized a spirited game of "Dog and Ball" with participants. Laughter echoed across the venue as people chased after the ball and unleashed their playful side. It was a fantastic opportunity to relax, bond, and let loose.

A Deeper Connection:

As the day progressed, it became evident that the questions about LGBTQIA+ topics had ignited a genuine interest among the participants. The community's diversity of perspectives and experiences was celebrated, fostering understanding and empathy.

Overall, the day was filled with enthusiasm, fun, learning, pictures, rain, amusement and a whole lot of memories which refilled our hearts with unforgettable joy.

'Rangeela Manch' itself portrays colorful stage which showcases the vibrant spirits each one of us possess and to carry that energy on the very stage of our life. It is to make our persona even more spectacular and accept the unfolding truths of life.

The event came to an end with club and district shoutout and our President Rtr. Ashwarya Thanvi adjourning the event.

Impact Analysis:

- 1) Participants gained a deeper understanding of LGBTQIA issues, fostering greater awareness and empathy.
- 2) Attendees developed a heightened sense of empathy by engaging in open discussions and activities, allowing them to better understand the challenges faced by LGBTQIA+ individuals.
- 3) The event expanded participants' horizons as they learned about different cultures and languages through the language exchange game, promoting a more inclusive worldview.
- 4) Participants left the event with more positive attitudes towards LGBTQIA+ individuals, emphasizing the importance of respect and acceptance.
- 5) The event fostered a sense of unity within the community, as attendees connected with strangers and influencers alike, reinforcing the notion that acceptance and support are powerful forces for change.
- 6) Through different opinions and ideas of people on Gender equality, we got a wide range of thoughts and got to know a generalized notion people carry for it.

Follow Up and Feedback:

1. "I had an amazing time at the event! It was eye-opening to learn more about LGBTQIA issues through fun games and discussions. I left with a greater understanding and appreciation for diversity."
2. "The event was a breath of fresh air. Playing the compliment game and the language exchange really brought our community closer together. I feel more connected to my neighbors now."
3. "I was initially hesitant about attending, but I'm so glad I did. The questions asked were thought-provoking, and hearing from the influencer was enlightening. I've definitely grown more accepting and aware."
4. "The event was a blast! Playing 'dog and ball' was so much fun, and I made new friends. Plus, I learned that it's important to be kind and respectful to everyone, regardless of their background."

Project Description

Aim:

The aim of the LGBTQIA+ skit play was to strongly emphasize understanding, acceptance, and inclusion. Through authentic storytelling, the project aimed to challenge stereotypes, evoke empathy, and spark conversations, ultimately contributing to a more compassionate and inclusive society.

Process and Execution:

Process:

The skit play started by finding talented folks who could really get into the LGBTQIA+ theme. We then worked on a story that honestly covered the diverse experiences within the LGBTQIA+ community. After getting the green light for the script, the next step was the dedicated practice.

The cast didn't just memorize lines; they dug into the emotions of the characters and the overall message. The goal was to create a performance that felt real and connected with the audience. The whole process, directed with a vision, made sure we delivered a skit play that genuinely portrayed the LGBTQIA+ experience.

Execution:

On the 24th of December, at Malad Masti, the event kicked off with a buzz of excitement. All the participants, after putting in their final rehearsal, were geared up for the main performance. As the event unfolded, participants took their designated positions, and the skit play commenced.

narrative unfolded seamlessly, captivating the audience's attention. The crowd became actively engaged, prompting an unexpected but delightful decision to perform the skit play a second time, responding to the audience's enthusiastic demand.
